Who is Skills Fund?

We're a team of higher ed, consumer protection, and student loan industry leaders. Our goal is to offer the best financing options for the best bootcamps & their students.

When do I receive my funds?

Skills Fund sends your tuition to your school on the second Wednesday after your program start date.

How do I repay my loan?

Start making monthly payments about one month after your program starts.

We have two repayment types:

Interest-Only Loans: Pay only interest in program & two months after, then begin full payments (interest + principal).

Immediate Repayment Loans: Start making full payments about one month after your program starts.

How can I learn more?

We can help! Visit the Skills Fund + Open Cloud Academy partnership site or email CustomerTrust@Skills.Fund.

Skills Fund's baseline approval criteria:

- U.S. citizen or green card holder
 - No educational loan defaults
 - Established, healthy credit history & score

Can I cancel or decrease my loan?

What happens if I get a scholarship?

We can decrease a loan, but can't increase. We can easily decrease or cancel your loan until the Monday before disbursement. If funds have already disbursed, we'll follow your school's refund policy.
